NOTICE

TO ALL CONCERNED

As you all are aware that semester IV and VI May-June examination 2022 are starting in Offline/Physical mode from 9th May, 2022 and the college will hold it for both regular students of the college as well as a large number of SOL students. However, considering the Covoid-19 precautions and to maintain the necessary environment and sanctity for smooth conduct of examinations, it was decided unanimously in an urgent meeting of all the Teacher-In-Charges, held on 6th May, 2022 through Google meet, that the classes (Theory and Tutorials/Practicals) of semester II (first year) students should be conducted through online mode/means during the entire period of examinations from 9th May - 7th June, 2022.

It was further decided that examination (Dp. Suptd./Invigilation) duties would be given priority and in case of a clash with classes, sincere efforts must be made to either exchange duty with another colleague or adjust class timings accordingly.

Kind cooperation of all is highly solicited for the smooth conduct of the whole examination process.

With Regards
