PRINCIPAL'S DESK

With great pleasure I welcome you all To Dyal Singh College. The college, Established in 1959, strives to create a supportive and inclusive environment where talented students are encouraged to explore their unawaken potential and achieve their personal best in all aspects of college life.

We, at Dyal Singh College, nurture the idea of holistic personality development of all of our students. Therefore, we give our students an opportunity to take part in different kinds of co-curricular activities organized by the various student societies active in different departments of the college.

Each year, the college produces highly motivated undergraduates who strike a fine balance between academics and extracurricular activities, thereby excelling in multiple fields. With the help of The Placement Cell, under the able mentorship of its Convener, Dr. Neetu Bhattacharya, these multi-talented students further hone their skills to be able to integrate well into various business organizations after placement.

Dyal Singh College has always attracted the Best of Recruiters over the years, namely-KPMG, EY, Genpact, NIIT and many more, placing well over 110+ students in 2021-2022. This shows the tremendous potential and growth of our college over the years.

I once again cordially invite the various companies/institutions to our campus to explore the plethora of hidden talent and capabilities that our students have to offer to them.

ABOUT THE COLLEGE

Dyal Singh College was established in the year 1959 and was affiliated with the University of Delhi in the year 1978. The college campus of over 11 acres is centrally located on the Delhi Metro map at Lodhi Road in South Delhi.

The college's origin arose from the estate of Sardar Dyal Singh Majithia, founder of The Tribune and Punjab National Bank, who willed his estate in 1895 for the establishment of an educational trust for a secular college. Consequently, Dyal Singh College was established in Lahore in 1910. After the Partition of India, Dyal Singh College was established in Karnal and Delhi.

It started functioning in the capital at Rouse Avenue as a constituent college of the University of Delhi w.e.f. 5th August 1959 and at the present location since 16th October 1962. It was taken over by the University of Delhi as a university-maintained institution in 1978 and has been affiliated proudly since then.

In recent years, the college has registered an exceptional quantitative and qualitative improvement.

ABOUT THE PLACEMENT CELL

The Placement Cell envisions to provide an opportunity perfectly cut out for each student of the college. With a belief that the right people and organizations can nourish a person to the peak of their potential, the team actively on-boards opportunities.

Another area of the work includes preparing the students to be corporate world ready by conducting webinars, seminars and workshops.

The Placement Cell ensures a smooth procedure, right from onboarding companies to assisting students and the companies throughout the procedure until being placed. Companies offering the best placement as well as internship opportunities are welcomed all year round.

It delights us to share that the statistics have shown a better performance each year. The Placement Cell is a lively team of smart-working students and supportive college faculty. They work with the vision to get every student placed in the companies of their choice and working profiles aligning with their career paths. They intend to be the connection between the company and applicants and ensure a smooth process with quality results.

GROOMING SESSION 2021-22 BY CELECKT

The Placement Cell in association with Celeckt conducted a Pre-Placement Personal Grooming session in the college for the Batch 2021-2022. Celeckt helps build working professionals and B-school/graduation students the right acumen for interviews and allied processes. The aim of this session was to help the final year students crack future placements by sharing valuable insights on how to create a perfect resume, providing tips on cracking GD/PI sessions, personal grooming tips and much more.

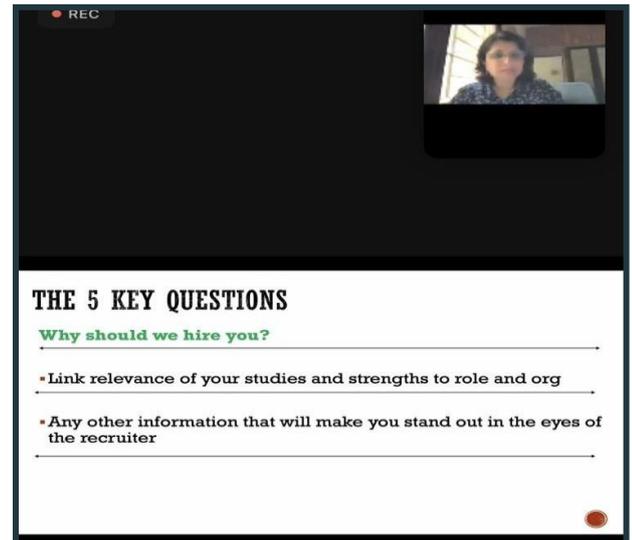

The session culminated with the attendees getting all their queries resolved by the Celeckt Team. It was an informative and productive session for one and all present there. The agenda of the session ranged from providing insights on how to properly format and enhance one's curriculum vitae to discussing the importance of body language in the purview of personal interviews or group discussions. The session also enlightened students on how companies use various techniques for testing candidates, for example, aptitude tests, extempore, case studies, etc. It helped students grasp a better understanding of these methods and prepared them well. The webinar also emphasized a lot about how a candidate should prepare themselves for personal interviews and how to build confidence over time.

AMAZING WORKPLACES

WORKSHOP

Another Grooming session was held by Amazing Workplaces Career Development. The main agenda of this session was to equip students with skills to crack their next interview and how to ace the first 90 days in a new work environment. **Amazing Workplaces** is a platform set up with the core purpose of enhancing, enriching, and promoting the best practices in a workplace.

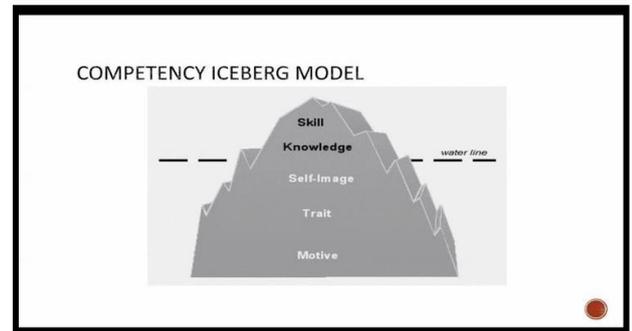

REC

THE 5 KEY QUESTIONS

Why should we hire you?

- Link relevance of your studies and strengths to role and org
- Any other information that will make you stand out in the eyes of the recruiter

The agenda for the **first webinar** was, “5 Questions to prepare for your next Interview”. This webinar mainly helped students in getting an idea of how to sit in an interview and how to answer questions properly. The agenda for the **second webinar** was, “How to Ace the first 90 Days of your first job”. This session provided insights on good work ethics that would help boost productivity in the first 90 days. This session also emphasized teamwork and inclusivity.

FELLOWSHIPS & NGOS

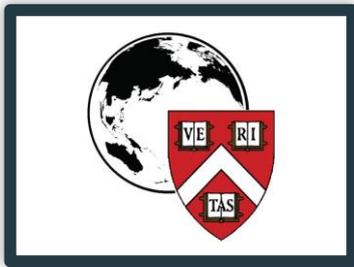

WWF INDIA

The World Wide Fund for Nature (WWF) is an international non-governmental organization, working in the field of biodiversity conservation, and the reduction of humanity's footprint on the environment. They gave a learning platform for our students through their Youth For Nature Conservation Program to delve into the world of conservation and learn about the efforts and challenges faced to protect vulnerable ecosystems and species in India.

D.E. SHAW: FINSPIRE

The D. E. Shaw India staff collaborates closely with colleagues around the world to build cutting-edge proprietary software systems for the group's investment activities across its systematic, discretionary, and hybrid strategies, and to provide research and operations support. They gave us first-hand industry exposure, customized learning sessions and insightful interactions led by subject matter experts, mentorship support from top minds in finance and networking opportunities with a diverse group of women from various colleges across the country.

HPAIR

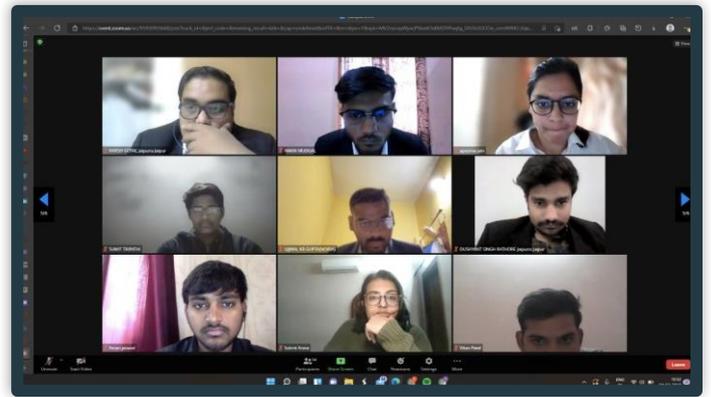

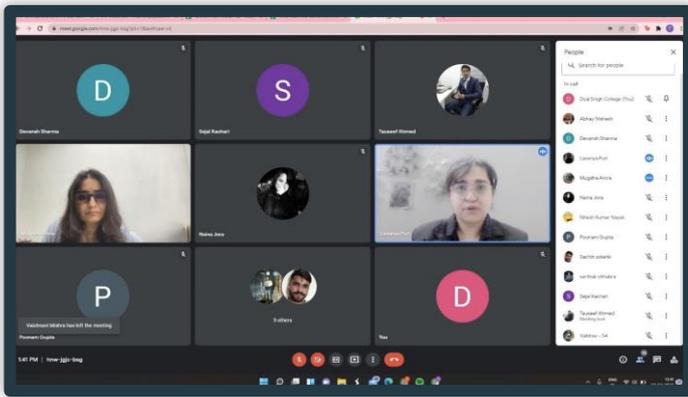

Harvard Project for Asian and International Relations is a student-run organization of the Harvard University Faculty of Arts and Sciences. HPAIR organizes Harvard University's largest annual student conferences in the Asia-Pacific region. Since 1991, they have continuously gathered a growing pool of international students from top universities, renowned academics, business professionals, and political leaders to engage in their rigorous conference events.

Teach For India

The Teach For India Fellowship is an opportunity for India's brightest and most promising youth, from the nation's best universities and workplaces, to serve as full-time teachers to children from low-income communities in under-resourced schools. They exposed us to the grassroots realities of India's education system and are cultivating the knowledge, skills, and mindsets necessary to attain positions of leadership in education and identify their roles in building a wider movement for educational equity in the country which proved to be a learning opportunity for the students.

INCEDO

“I had a really positive experience with the placement cell of Dyal Singh College- (M). I am really grateful to them for effectively and sincerely helping me in getting my first job at Incedo as a Finance Trainee. The placement cell not only captivated prestigious firms but also assisted me throughout the entire process. With multiple internship opportunities and webinars, TPC groomed all of us and I can confidently say that I'll be heading out into the professional world with a lot more awareness and preparation. The coordinators of the placement cell have always been very supportive. I thank the entire placement team.”

CONCLUSION

The growth of the cell, accredited to the sheer dedication and utmost professionalism of its members can be seen over the years. We embark on the objective to provide 100% placement for the students through dedication and hard work forever.
