DYAL SINGH COLLEGE

University of Delhi

Lodi Road, New Delhi-110003

About Us

Dyal Singh College owes its origin to the extreme generosity and foresight of Sardar Dyal Singh Majithia, founder of 'The Tribune', Punjab University and 'Punjab National Bank', who willed his vast wealth in 1895 for the setting up of an Education Trust for establishing a college to provide liberal education of highest standards. Consequently, Dyal Singh College was established at Lahore in 1910. After the Partition of India, Dyal Singh College was established in Karnal and in 1952 at Delhi. It started functioning in the capital at Rouse Avenue as a constituent College of the University of Delhi w.e.f 05.08.1959 and at the present location since 16.10.1962. During 1963-1967, it functioned in 2 units from 8.30 am to 4.30 pm. The University of Delhi took it over as a University Maintained institution in 1978.

From the Principal's Desk

The college has been contributing to the solemn task of nation-building since its very inception. Today, the college is imparting education to over 6000 students, including foreign students through facilities of Arts, Commerce, Social Sciences, Mathematical Sciences, Computers and Science courses. The college has a state- of-the-art infrastructure to meet the pedagogic and research needs of its students and faculty members.

These include a well-stocked Library with over one lac books and links to various e-resources. The science departments have well-equipped labs to carry out both teaching and research activities. The computer department has also upgraded computer facilities. The college works for the overall development of one's personality along with academic activities. Our motto is to nurture today's youth to face tomorrow's challenges. Making them more employable has been the focus of our college. Our college's placement cell takes care of these issues. Sports has been one of the pillars of personality development. The college, along with its rigorous academic standards maintains a vibrant tradition of co-curricular activities. Our students complement their academic lives with active engagement in the fields of sports, theatre, debate, music, photography and fine arts. The college auditorium, amphitheatre and seminar rooms are designed with the latest sound and projection systems to facilitate many academic and co-curricular exchanges.

I am fortunate to be at the position to nurture young talent and make the journey of the students joining the college a memorable one. Together, let us share our ideas, dreams and vision to make the learning process an even more exciting experience. I wish the students who are joining the college success and an enjoyable stay at Dyal Singh College.

Best of Luck!

Prof. V.K. Paliwal
Principal

B.A. (Hons.) Political Science

This program aims to expose the students to the manner in which the questions of politics have been posed that have implications for more critical questions of thought and existence in society and is being solved. By introducing the philosophers from different traditions, students can answer a few fundamental political questions: Why do we live in political communities? What is the 'best' form of government? How human nature influences political decision-making? How and in what circumstances do we need to resist bad rulers? By the end of the course, students are able to understand the idea of modernity and establish a connection between societal changes posed through modernity and its prescribed political suggestions.

B.A. (Program)

B.A. (Program) offers a wide range of subject combinations to attract students to graduate in the subjects of his/her likeness. Colleges offer a range of combinations from which a student may choose the subjects in which he/she may like to pursue his/her further studies. The University of Delhi offers more than 180 BA (Program) Combinations, thereby offering an amalgamation of different subjects.

Eligibility for Admission in B.A. (Program)

B.Sc. (Hons.) Botany

The B.Sc. (Hons.) Botany curriculum offers the essential knowledge and technical skills to study plants holistically. Students would be trained in all areas of plant biology using a unique combination of core and elective papers with significant interdisciplinary components. Students would be exposed to cutting-edge technologies currently used in the study of plant life forms, their evolution and interactions with other organisms within the ecosystem. Students would also become aware of the social and environmental significance of plants and their relevance to the national economy.

B.Sc. (Hons.) Zoology

Through this course, the students will be more equipped to learn and know about different human systems, their coordination and control. The Zoology degree program provides a platform to comprehend classical genetics to understand the distribution of other traits among populations, their inheritance, ethnicity and correlate with contemporary and modern techniques like genomics, metagenomics, genome editing and molecular diagnostic tools. This course's practical and theoretical skills will help design different public health strategies for social welfare. The course has been designed to provide in-depth knowledge of applied subjects ensuring the inculcation of employment skills so that students can make a career and become entrepreneurs in diverse fields of aquatic biology, sericulture, apiculture etc. After completing this course, students can contribute as policymakers in wildlife conservation, animal preservation and environment protection.

B.Sc. (Hons.) Chemistry

The BSc (Hons.) Chemistry curriculum offers courses in inorganic, organic, physical, materials and analytical. The courses will train students with sound theoretical and experimental knowledge that suits the need of academics and industry. The courses also offer ample skills to pursue research as a career in chemistry and allied areas. This program is offered by one of the largest and oldest Departments in the country to produce the best minds to meet the demands of society. The University of Delhi hopes that the programme BSc (Hons.) Chemistry will help students make an informed decision regarding the goals they wish to pursue in further education and life.

B.Sc. (Hons.) Physics

Physics is an experimental and theoretical science that systematically studies the laws of nature operating at length scales from the sub-atomic domains to the entire universe. The core areas of study within the disciplinary/subject area of the B.Sc. (Hons.) Physics program are: Classical and Quantum Mechanics, Electricity and Magnetism, Thermal and Statistical Physics, Wave theory and Optics, Physics of the Materials, Digital Electronics, and specialized methods of Mathematical Physics and their applications in different branches of the subject. Along with the theoretical course work, students also learn physics laboratory methods for different branches of physics, specialized measurement techniques, analysis of observational data, including error estimation, and scientific report writing. The latest addition to Physics pedagogy is computational physics, which involves adapting Physics problems for algorithmic solutions and modelling and simulation of physical phenomena.

B.Sc. (Hons.) Computer Science

The B.Sc. (H) Computer Science curriculum offers to develop theoretical foundations in computer science to build computational thinking, analytical, and problem-solving skills. The program prepares the students for higher studies in Computer Science and its applications. The course aims to produce skilled graduates with a creative mindset who can recognize a computational problem either in IT industry or society and develop effective solutions. In addition, the students develop expertise in programming skills using contemporary programming languages used by the software industry. It covers core computer science topics like computer systems architecture, data structures, computer networks, operating systems, computer graphics, algorithms, software engineering, database management, theory of computation, artificial intelligence, and information security.

B.Sc. (Hons.) Mathematics

The B.Sc. (Hons.) Mathematics program aims at developing the ability to think critically, logically, and analytically and hence use mathematical reasoning in everyday life. Pursuing a degree in mathematics will introduce the students to several interesting and valuable ideas in preparation for several mathematics careers in education, research, government sector, business sector and industry. The B.Sc. (Hons.) Mathematics program covers the full range of mathematics, from classical Calculus to Modern Cryptography, Information Theory, and Network Security. The course lays a structured foundation of Calculus, Real & Complex analysis, Abstract Algebra, Differential Equations (including Mathematical Modelling), Number Theory, Graph Theory, and C++ Programming exclusively for Mathematics.

Eligibility Requirement & Number of Seats under different Degree Programs: Undergraduate Programs in Commerce

B.Com. (Hons.)

B.Com. (Hons.) program of the University of Delhi is designed to enable and empower students to acquire knowledge, skills and abilities to analyse and synthesize the contemporary realities pertaining to the business. This course provides for maintaining and sustaining existing businesses in the face of the winds of change and competition and a desperately needed perspective of sustainable growth. This program aims to instill conceptual understanding to equip students to deal with today's business realities and prepare them to drive and face the challenge of tomorrow. It also exposes the students to the world of technology and digitization in the relevant field as envisaged by scholars and policymakers. As mandated by the Government of India, this course is designed to help cultivate an entrepreneurial mindset and skills.

B.Com

Commerce is visualised as a link between society and business. The nature and purpose of interaction between both have undergone tremendous change with time. Information technology has re-modelled the shape and design of the business, engendering the metamorphosis of its very nature and the matrix of societal functioning. Recognising the implications of this change, the B.Com. Program aims at building in students an understanding of the functioning and premise of the business world. To achieve this, the program offers an opportunity for students to know different aspects of organizational functioning, financial systems, understanding of the economy, laws governing business, strategies adopted by businesses to reach society, etc. The program also provides the students an opportunity to explore, experiment and equip themselves to serve society not as employment seekers but as an entrepreneur and job creators.

1. Courses of study – Courses of study indicates pursuance of study in a particular discipline. Every discipline shall offer three categories of courses of study, viz. Discipline Specific Core courses (DSCs), Discipline Specific Electives (DSEs) and Generic Electives (GEs).

a) Discipline Specific Core (DSC): Discipline Specific Core is a course of study, which should be pursued by a student as a mandatory requirement of his/her programme of study. DSCs shall be the core credit courses of that particular discipline which will be appropriately graded and arranged across the semesters of study, being undertaken by the student, with multiple exit options as per NEP 2020. The DSCs specified in the framework would be identified by the concerned Department as core courses to be taught in a Programme. For example, for award of single discipline specific Honours degree, such as B.A. (Honours) History, B.Com. (Honours), B.Sc. (Honours) Physics and similar such programmes, DSCs shall be the core courses of History, Commerce and Physics, respectively.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/ Humanities, the DSCs shall comprise of core credit courses of more than one discipline. For example, for B.Sc. (Honours) Life Sciences programme, a student shall study credit courses of three disciplines i.e., Botany, Zoology and Chemistry. DSC 1 may be of Discipline A1 (say, Botany), DSC 2 may be of Discipline B 1 (say, Zoology) and DSC 3 may be of Discipline C 1 (say, Chemistry). However, the fourth year of such honour's degree programme shall be devoted to the study of only one discipline and hence the DSC courses in the VII and VIII semesters shall be of Discipline A/B/C and not a combination of these three disciplines. Please refer to framework given as Illustration –I.

b) Discipline Specific Elective (DSE): The Discipline Specific Electives (DSEs) shall be a pool of credit courses of that particular discipline (single discipline programme of study) or those disciplines (multidisciplinary programme of study), as the case may be, which a student chooses to study from his/her particular discipline(s). There shall be a pool of DSEs from which a student may choose a course of study. The DSEs specified in the framework would be identified by the concerned Department as elective courses to be taught in a Programme.

For example, to pursue B.Sc. (Honours) Physics, DSEs chosen should be from a pool of DSEs of Physics. Similarly, to pursue B.Sc. (Honours) Life Sciences programme, the DSEs chosen should be a pool of courses of DSEs of Botany, Zoology and Chemistry, the core subjects for this programme of study.

However, to pursue Honours degree programme in a 'Field of Multidisciplinary courses of Study' (rather than a single discipline) such as B.Sc. (Honours) Life Sciences, B.A. (Honours) Social Sciences/ Humanities, in the fourth year of such honour's degree programme in the VII and VIII semesters, the student shall be required to choose DSEs from any one of the Disciplines A/B/C and not a combination of these three disciplines. Please refer to framework given as Illustration - I.

c) Generic Elective (GE): Generic Electives shall be a pool of courses which is meant to provide multidisciplinary or interdisciplinary education to students. GEs shall consist of a pool of courses offered by various disciplines of study (excluding the GEs offered by the parent discipline), in groups of odd and even semesters, from which a student can choose. The GEs specified in the framework would be identified by the concerned Department as GEs to be taught in a Programme. In case a student opts for DSEs beyond his/her discipline specific course(s) of study, such DSEs shall be treated as GEs for that student.

d) Ability Enhancement course (AEC), Skill Enhancement Course (SEC) & Value Addition Course (VAC): These three courses shall be a pool of courses offered by all the Departments in groups of odd and even semesters from which students can choose. A student who desires to make Academic Project/Entrepreneurship as Minor has to pick the appropriate combination of courses of GE, SEC, VAC, & Internship/Apprenticeship/Project/Community (IAPC) which shall be offered in the form of various modules as specified in the scheme of studies.

(i) AEC courses are the courses based upon the content that leads to knowledge enhancement through various areas of study. They are Language and Literature and Environmental Science and Sustainable Development which will be mandatory for all disciplines. (ii).SEC courses are skill-based courses in all disciplines and are aimed at providing hands-on-training, competencies, skills, etc. SEC courses may be chosen from a pool of courses designed to provide skill-based instruction. (iii).VAC courses are value-based courses which are meant to inculcate ethics, culture, constitutional values, soft skills, sports education and such similar values to students which will help in all round development of students.

2. Major discipline
a) A student pursuing four-year undergraduate programme in a specific discipline (Core course) shall be awarded appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline at least 50% of the total credits i.e., at least 88 credits in that Discipline out of the total of 176 credits. He/she shall study 20 DSCs and at least 2 DSEs in eight a) semesters. For instance, a student who pursues B.Com. (Honours) shall earn the minimum 88 credits from 20 DSCs and at least two DSEs in order to get Major in Commerce.

b) A student pursuing four-year undergraduate programme in more than one discipline as Core Course (for example B.A. Social Sciences/ Humanities, B.Sc. Life Sciences, B.Sc. Physical Sciences, B.Sc. Mathematical Sciences, B.Com. and such other programmes) shall be awarded appropriate Honours degree with Major in a Discipline on completion of VIII Semester, if he/she secures in that Discipline 80 credits out of a total of 176 credits. He/she shall study 6 DSCs and at least 3 DSEs in that discipline in the first six semesters and 2 DSCs, 6 DSEs and write dissertation in that discipline in the VII and VIII semesters. For instance, a student who pursues four-year B.A. (Honours) Social Sciences/Humanities shall be eligible for Major in History, on completion of VIII semester, if he/she earns minimum 80 credits from 8 DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History.

3. Minor discipline

a) A student mentioned at 2 (a) above may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from seven GE courses of that discipline. For example, if a student pursuing B.A. (Honours) History chooses seven GE courses of Political Science out of a total of twelve GE courses and writes dissertation, he/she shall be awarded on successful completion of VIII Semester, Major in History and Minor in Political Science.

b) A student mentioned at 2 (b) above may be awarded Minor in a discipline, on completion of VIII Semester, if he/she earns minimum 28 credits from six DSCs and one DSE of that discipline. For example, a student pursuing four-year B.A. (Honours) Social Sciences/Humanities with Major in History (after securing at least 80 credits in History), may be awarded Minor in Hindi if he/she earns 28 credits from six DSCs and one DSE of Hindi (up to VI semester), on successful completion of VIII Semester. This definition of Minor is independent of GEs for which there is a requirement of 28 credits to be treated as Minor.

Further, in case a student opts for two disciplines such as Physics and Chemistry instead of three disciplines such as Physics, Chemistry and Mathematics, major and minor shall be determined as per credits earned in the respective courses of study. The concept of Minor is relevant only when there is a Major discipline.

Undergraduate Curriculum Framework (UGCF)-2022

The UGCF is a structure for four-year undergraduate programmes in different disciplines with multiple exit options. For more details visit University of Delhi website (https://centenary.du.ac.in/?Documents-Documentaries/UGCF-2022-NEP-2020#)

Note

1. **Entry level eligibility:** The general feeder category for entry into Level 5 is the Secondary School Leaving Certificate obtained after successfully completing Grade 12. A programme of study leading to entry into the first year of the Bachelor's degree is open to those students who have met the entrance requirements, including specified levels of attainment at the secondary level of education mentioned in the programme admission regulations. Admission to the Bachelor degree programme of study is based on the evaluation of documentary evidence (including the academic record) of the applicant's ability to undertake and complete a Bachelor's degree programme which is specified in the UGC Guidelines for Multiple Entry and Exit Scheme in Academic Programmes Offered in Higher Education.

2. Number of hours of a credit course shall be defined by its component of lecture, tutorial and practical.

3. Every student has to study **"Environmental Science and Sustainable Development"** courses I and II of two credits each in the first year (I/II semester) and the second year (III/IV semester), respectively. The AEC pool will also consist of credit courses in languages listed in the Eighth Schedule of the Constitution of India, as updated from time to time. The University of Delhi shall extend necessary support to those Colleges (where faculty is not available) which may require it in course of teaching learning in these languages.

4. Design of degrees: Students shall be able to design their own degrees according to their mission and aspiration for a future befitting to their ability and attainment, rather than following the conventional pathway.

5. A student who pursues three years undergraduate degree programme in a specific discipline as a Core course [for example, B.A. (Honours) English, B. Com (Honours), B.Sc. (Honours) Physics and such other Programmes] will earn at least 80 credits in that discipline (from 18 DSCs and at least 2 DSEs of that discipline) and shall be awarded Honours degree in that discipline, if he/she exits after completion of VI semester.

6. A student who pursues three years undergraduate degree programme in more than one discipline as core courses of study (for example B.A. in Social Sciences/ Humanities, B.Sc. in Life Sciences, B.Sc. in Physical Sciences, B.Sc. in Mathematical Sciences, bachelor's in commerce studies and such other programmes) he/she shall be awarded Bachelor's degree in that field of multidisciplinary course of study, if he/she exits after completion of VI semester.

7. If a student wishes to pursue four years Honours Degree with research, he/she shall compulsorily opt for a Research Methodology course in either VI Semester or VII Semester as GE.

8. Dissertation/Academic Project/Entrepreneurship in the 4th year shall commence from VII semester and conclude in VIII semester. Detailed outcomes of each track chosen out of these three options shall be notified and assessment at the end of VII and VIII semesters shall be done accordingly.

9. Dissertation may be written in the Major or Minor or Interdisciplinary (combination of Major and Minor) discipline.

10. If a student mentioned at (6) above continues or re-enters the fourth year for pursuing an Honours degree in that field of multidisciplinary study, he/she has to choose only one of the disciplines he/she had studied as core courses of study in the previous six semesters and earn credits from the 2DSCs and 6DSEs of that chosen discipline in the VII and VIII semesters and write dissertation or opt for Academic Project or Entrepreneurship.

11. If a student mentioned at (5) above, continues or re-enters to study the VII and VIII semesters in the same discipline, and writes dissertation mentioned at (9) above, but no Minor discipline is made out (i.e., credits earned in the GEs of any one discipline is less than 28 credits), then he/she shall be awarded 'Honours with Research' with Major in that discipline on successful completion of VIII Semester.

12. A student mentioned at (6) above, shall be awarded 'Honours' degree in that field of multidisciplinary study on successful completion of VIII semester. For example, B.A. (Honours) Social Sciences/ Humanities, B.Sc. (Honours) Life Sciences, B.Sc. (Honours) Physical Sciences, B.Sc. (Honours) Mathematical Sciences and Bachelor in Commerce Studies (Honours). Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(b) and III(3)(b), respectively. For instance, a student who pursues four years B.A. (Honours) in Social Sciences/ Humanities with History, Political Science and Hindi as core courses, shall get Major in History, on successful completion of VIII semester, if he/she earns minimum 80 credits in History from 8 DSCs and at least 9 DSEs of History and writes dissertation on a topic related to History. Such a student shall get a Minor in Political Science/Hindi, if he/she earns minimum 28 credits from 6 DSCs and one DSE of Political Science/Hindi.

13. Only a student mentioned at (5) above who opts to write a dissertation in the Major/Minor subject in VII and VIII semesters in the fourth year, shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Research) in Discipline'. For instance, a student who pursues B.Sc. (Honours) in Physics and writes a dissertation on a topic relating to Physics or the Minor in VII and VIII semesters, shall be awarded 'Bachelor of Science (Honours with Research) Physics. Major and Minor shall be indicated on fulfilment of the conditions mentioned above at III(2)(a) and III(3)(a), respectively.

14. A student who opts for 'Academic Project' or 'Entrepreneurship' in VII and VIII semesters, instead of writing dissertations, and has earned 28 credits in the relevant GEs, SECs, AECs & IAPC, shall be awarded Minor in Academic Project or Entrepreneurship, as the case may be. 'Bachelor of Field of Study/Discipline (Honours with Academic Project/ Entrepreneurship) in Discipline (Major) & Academic Project/ Entrepreneurship (Minor)'. If he/she is unable to earn the requisite 28 credits, he/she shall be awarded 'Bachelor of Field of Study/Discipline (Honours with Academic Project/ Entrepreneurship) in Discipline (Major).

15. A student who a pursues four-year undergraduate degree programme shall be awarded after completion of the VIII semester an appropriate degree.

16. Exit Options: The minimum credit to be earned by a student per semester is 18 credits and the maximum is 26 credits. However, students are advised to earn 22 credits per semester. This provision is meant to provide students the comfort of the flexibility of semester wise academic load and to learn at his/her own pace. However, the mandatory number of credits have to be secured for the purpose of award of Undergraduate Certificate/ Undergraduate Diploma/ Appropriate Bachelor's Degree in the field of Study/Discipline, to a student who chooses to exit at the end of even semesters (details provided in the table below).

7.Wilful destruction of institutional property.

8.Creating ill-will or intolerance on religious or communal grounds.

9.Causing disruption in any manner of the academic functioning of the University system

10.Prohibition of Ragging as per Ordinance XV-C.

d. Without prejudice to the generality of his/her powers relating to the maintenance of discipline and taking such action in the interest of maintaining discipline as may seem to him/her appropriate, the Vice-Chancellor, may in the exercise of his/her powers aforesaid order or direct that any student or students:

be expelled; or

be, for a stated period rusticated; or

- be not for a stated period, admitted to a course or courses of study in a College, Department, or Institution of the University; or
- be fined with a sum of rupees that may be specified; or
- be debarred from taking a university or College or Departmental Examination or Examination for one or more years; or
- that the result of the student or students concerned in the examination or Examinations in which he/she or they have appeared be cancelled.

e. The Principals of the Colleges, Heads of the Halls, Deans of Faculties, Heads of Teaching Departments in the University, the Principal, School of Open Learning and Librarians shall have the authority to exercise all such disciplinary powers over students in their respective Colleges, Institutions, Faculties and Teaching Departments in the University as may be necessary for the proper conduct of the Institutions, Halls and teaching in the concerned Departments. They may exercise their authority through, or delegate authority to such of the teachers in their Colleges, Institutions or Departments as they may specify for these purposes.

f. Without prejudice to the powers of the Vice-Chancellor and the Proctor as aforesaid, detailed ruled of discipline and proper conduct shall be framed.

g. These rules may be supplemented, where necessary, by the Principals of Colleges, Heads of Halls, Deans of Faculties and Heads of Teaching Departments in this University. Each student shall be expected provide himself/herself with a copy of these rules.

h. At the time of admission, every student shall be required to sign a declaration that on admission he/she submits himself/herself to the disciplinary jurisdiction of the Vice-Chancellor and several authorities of the University who may be vested with the authority to exercise discipline under the Acts, the Statutes, the Ordinances and the rules that have been framed therein by the University.

ORDINANCE XV-C Prohibition and Punishment for Ragging

a. Ragging in any form is strictly prohibited, within the premises of College/Department or Institution and any part of Delhi University system as well as on public transport.

b. Any individual or collective act or practice of ragging constitutes gross indiscipline and shall be dealt with under this Ordinance.

c. Ragging for the purposes of this Ordinance, ordinarily means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students; and includes individual or collective acts or practices which-
- Involve physical assault or threat to use of physical force
- Violate the status, dignity and honour of women students
- Violate the status, dignity and honour of students belonging to the scheduled caste and tribe
- Expose students to ridicule and contempt and affect their self-esteem
- Entail verbal abuse and aggression, indecent gestures and obscene behaviour.

d. The Principal of a College, the Head of the Department or an Institution, the authorities of college, or University Hostel or Halls of Residence shall take immediate action on any information of the occurrence of ragging.

e. Notwithstanding anything in Clause (4) above, the Proctor may also suomoto enquire into any incident of ragging and make a report to the Vice-Chancellor of the identity of those who have engaged in ragging and the nature of the incident.

f. The Proctor may also submit an initial report establishing the identity of the perpetrators of ragging and the nature of the ragging incident.

g. If the Principal of a College or Head of the Department or Institution or the Proctor is satisfied that for some reason, to be recorded in writing, it is not reasonably practical to hold such an enquiry, he/she may so advise the Vice-Chancellor accordingly.

h. When the Vice-Chancellor is satisfied that it is not expedient to hold such an enquiry, his/her decision shall be final.

i. On the receipt of a report under Clause (5) or (6) or a determination by the relevant authority under clause (7) disclosing the occurrence of ragging incidents described in Clause 3(a), (b) and (c), the Vice-Chancellor shall direct or order rustication of a student or students for a specific number of years.

j. The Vice-Chancellor may in other cases of ragging order or direct that any student or students be expelled or be not for a stated period, admitted to a course of study in a college, departmental examination for one or more years or that the results of the student or students concerned in the examination or examinations in which they appeared be cancelled.

k. In case any students who have obtained degrees or diplomas of Delhi University are found guilty; under this Ordinance, appropriate action will be taken under Statute 15 for withdrawal of degrees or diploma conferred by the University.

l. For the purpose of this Ordinance, abetment to ragging whether by way of any act, practice or incitement of ragging will also amount to ragging.

m. All Institutions within the Delhi University system shall be obligated to carry out instruction/ directions issued under this Ordinance, and to give aid assistance to the Vice-Chancellor to achieve the effective implementation of the Ordinance.

Note: Order of the Vice-Chancellor in pursuance of Ordinance XV-C:

Where incident (s) of ragging are reported to the Vice-Chancellor by any authority under this Ordinance, the students (s) involved in ragging, shall be expelled for a specified term, designated in the order. Ord. XV-D- Sexual Harassment Appendix-A

University Grants Commission (Prevention, Prohibition and Redressal of Sexual Harassment of Women Employees and Students in Higher Educational Institutions) Regulations, 2015

</div>

Section 1 – Short title extent and commencement

1. These regulations may be called the University Grants Commission (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015.
2. They shall apply to all higher educational institutions in India.
3. They shall come into force on the date of their publication in the Official Gazette.

Section 2 – Definitions

In these regulations, unless the context otherwise requires: -

a. " Aggrieved woman" means in relation to work place, a woman of any age whether employed or not, who alleges to have been subjected to any act of sexual harassment by the respondent;

b. 'Act' means the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (14 of 2013);

c. "campus" means the location or the land on which a Higher Educational Institution and its related institutional facilities like libraries, laboratories, lecture halls, residences, halls, toilets, student centers, hostels, dining halls, stadiums, parking areas, parks-like settings and other amenities like health centers, canteens, Bank counters, etc., are situated and also includes extended campus and covers within its scope places visited as a student of the HEI including transportation provided for the purpose of commuting to and from the institution, the locations outside the institution on field trips, internships, study tours, excursions, short-term placements, places used for camps , cultural festivals, sports meets and such other activities where a person is participating in the capacity of an employee or a student of the HEI;

d. Commission" means the University Grants Commission established under section 4 of the University Grants Commission Act, 1956 (3 of 1956);

e. "Covered individuals" are persons who have engaged in protected activity such as filing a sexual harassment charge, or who are closely associated with an individual who has engaged in protected activity and such person can be an employee or a fellow student or guardian of the offended person;

f. "employee" means a person as defined in the Act and also includes, for the purposes of these Regulations trainee, apprentice (or called by any other name), interns, volunteers, teacher assistants, research assistants, whether employed or not, including those involved in field studies, projects, short-visits and camps;

g. "Executive Authority" means the chief executive authority of the HEI, by whatever name called, in which the general administration of the HEI is vested. For public funded institutions the Executive Authority means the Disciplinary Authority as indicated in Central Civil Services (Classification, Control and Appeal) Rules, 1965 or its equivalent rules;

h. "Higher Educational Institution" (HEI) means a university within the meaning of clause (j) of section 2, a college within the meaning of clause(b) of sub- section (1) of section 12A and an institution deemed to be a University under section 3 of the University Grants Commission Act, 1956 (3 of 1956);

i. "Internal Complaints Committee" (ICC) means Internal Complaints Committee to be constituted by an HEI under sub regulation (1) of regulation 4 of these regulations. Any existing body already functioning with the same objective (like the Gender Sensitization Committee Against Sexual Harassment (GSCASH)) should be reconstituted as the ICC;

Provided that in the latter case the HEI shall ensure that the constitution of such a Body is as required for ICC under these regulations. Provided further that such a Body shall be bound by the provisions of these regulations;

j. "Protected activity" includes reasonable opposition to a practice believed to violate sexual harassment laws on behalf of oneself or others such as participation in sexual harassment proceedings, cooperating with an internal investigation or alleged sexual harassment practices or acting as a witness in an investigation by an outside agency or in litigation;

k. "Sexual harassment" means-

    i. "An unwanted conduct with sexual undertones if it occurs or which is persistent and which demeans, humiliates or creates a hostile and intimidating environment or is calculated to induce submission by actual or threatened adverse consequences and includes any one or more or all of the following unwelcome acts or behaviour (whether directly or by implication), namely; -

        1. any unwelcome physical, verbal or non-verbal conduct of sexual nature;

        2. demand or request for sexual favours;

        3. making sexually coloured remarks

        4. physical contact and advances; or

        5. showing pornography"

    ii. any one (or more than one or all) of the following circumstances, if it occurs or is present in relation or connected with any behaviour that has explicit or implicit sexual undertones-

      i. implied or explicit promise of preferential treatment as quid pro quo for sexual favours;

      ii. implied or explicit threat of detrimental treatment in the conduct of work;

      iii. implied or explicit threat about the present or future status of the person concerned;

      iv. creating an intimidating offensive or hostile learning environment;

      v. humiliating treatment likely to affect the health, safety dignity or physical integrity of the person concerned;

l. "student" means a person duly admitted and pursuing a programme of study either through regular mode or distance mode, including short-term training programmes in a HEI;

Provided that a student who is in the process of taking admission in HEIs campus, although not yet admitted, shall be treated, for the purposes of these regulations, as a student of that HEI, where any incident of sexual harassment takes place against such student;

Provided that a student who is a participant in any of the activities in a HEI other than the HEI where such student is enrolled shall be treated, for the purposes of these regulations, as a student of that HEI where any incident of sexual harassment takes place against such student;

m. "Third Party Harassment" refers to a situation where sexual harassment occurs as a result of an act or omission by any third party or outsider, who is not an employee or a student of the HEI, but a visitor to the HEI in some other capacity or for some other purpose or reason;

n. "victimization" means any unfavourable treatment meted out to a person with an implicit or explicit intention to obtain sexual favour;

o. "workplace" means the campus of a HEI including-

1. Any department, organisation, undertaking, establishment, enterprise, institution, office, branch or unit which is established, owned, controlled or wholly or substantially financed by funds provided directly or indirectly by the appropriate HEIs;

2. Any sports institute, stadium, sports complex or competition or games venue, whether residential or not used for training, sports or other activities relating thereof in HEIs;

3. Any place visited by the employee or student arising out of or during the course of employment or study including transportation provided by the Executive Authority for undertaking such journey for study in HEIs.'

Section 4 – Grievance redressal mechanism. —

1. Every Executive Authority shall constitute an Internal Complaints Committee (ICC) with an inbuilt mechanism for gender sensitization against sexual harassment. The ICC shall have the following composition: -

    a. A Presiding Officer who shall be a woman faculty member employed at a senior level (not below a Professor in case of a university, and not below an Associate Professor or Reader in case of a college) at the educational institution, nominated by the Executive Authority;

Provided that in case a senior level woman employee is not available, the Presiding Officer shall be nominated from other offices or administrative units of the workplace referred to in sub-section 2(o);

Provided further that in case the other offices or administrative units of the workplace do not have a senior level woman employee, the Presiding Officer shall be nominated from any other workplace of the same employer or other department or organization;"

  a. two faculty members and two non-teaching employees, preferably committed to the cause of women or who have had experience in social work or have legal knowledge, nominated by the Executive Authority;
  b. Three students, if the matter involves students, who shall be enrolled at the undergraduate, master's, and research scholar levels respectively, elected through transparent democratic procedure;
  c. one member from amongst non-government organisations or associations committed to the cause of women or a person familiar with the issues relating to sexual harassment, nominated by the Executive Authority.

2. At least one-half of the total members of the ICC shall be women.

3. Persons in senior administrative positions in the HEI, such as Vice- Chancellor, Pro Vice- Chancellors, Rectors, Registrar, Deans, Heads of Departments, etc., shall not be members of ICCs in order to ensure autonomy of their functioning.

4. The term of office of the members of the ICC shall be for a period of three years. HEIs may also employ a system whereby one –third of the members of the ICC may change every year.

5. The Member appointed form amongst the non-governmental organizations or associations shall be paid such fees or allowances for holding the proceedings of the Internal Committee, by the Executive Authority as may be prescribed.

6. Where the Presiding Officer or any member of the Internal Committee:

  a. contravenes the provisions of section 16 of the Act; or
  b. has been convicted for an offence or an inquiry into an offence under any law for the time being in force is pending against him; or
  c. he has been found guilty in any disciplinary proceedings or a disciplinary proceeding is pending against him; or
  d. has so abused his position as to render his continuance in office prejudicial to the public interest, such Presiding Officer or Member, as the case may be, shall be removed from the Committee and the vacancy so created or any casual vacancy shall be filled by fresh nomination in accordance with the provisions of this section."

Section 5 - Responsibilities of Internal Complaints Committee (ICC) –

The Internal Complaints Committee shall:

1. provide assistance if an employee or a student chooses to file a complaint with the police;
2. provide mechanisms of dispute redressal and dialogue to anticipate and address issues through just and fair conciliation without undermining complainant's rights, and minimize the need for purely punitive approaches that lead to further resentment, alienation or violence;
3. protect the safety of the complainant by not divulging the person's identity, and provide the mandatory relief by way of sanctioned leave or relaxation of attendance requirement or transfer to another department or supervisor as required during the pendency of the complaint, or also provide for the transfer of the offender;
4. ensure that victims or witnesses are not victimized or discriminated against while dealing with complaints of sexual harassment; and
5. ensure prohibition of retaliation or adverse action against a covered individual because the employee or the student is engaged in protected activity.

Section 6 - The process for making complaint and conducting Inquiry –

The ICC shall comply with the procedure prescribed in these Regulations and the Act, for making a complaint and inquiring into the complaint in a time bound manner. The HEI shall provide all necessary facilities to the ICC to conduct the inquiry expeditiously and with required privacy.

The Executive Council considered the matter to devise a mechanism to comply with the provisions of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 [SHWW (PPR)] related to adherence of time limit to act upon the recommendations of the Internal Complaints Committee, keeping in view the inability to hold meeting of the Executive Council for various exigencies / reasons to maintain the time schedule as prescribed in SHWW (PPR).

After detailed discussions, the Executive Council resolved to constitute a Sub- Committee of the Executive Council consisting of the following to act upon the recommendations of the ICC within the time limit indicated in the Act :-

1. The Pro-Vice-Chancellor - Chairman
2. The Proctor - Member
3. An elected Member of the Executive Council - Member (to be nominated by the Vice-Chancellor)

Note: If the above Sub-Committee has no female Member, then an additional female Member amongst the Members of the Executive Council shall also be nominated by the Vice-Chancellor. Further, the Committee is authorized to consult a lawyer/ legal expert as and when needed.

The Executive Council further resolved that the mandate with respect to functions and powers of the Sub-Committee shall be to act on behalf of the Executive Council and decisions so taken may be affected with the approval of the Vice Chancellor and the same be reported to the Executive Council for confirmation.
