About the Event

“Science Fair- 2024” is being organized on the theme “Cutting Edge Science and Technology For Sustainable Future” for undergraduate students with a view to inspire, promote, and inculcate scientific temperament among the students. The fair intends to encourage the students to display their creativity and scientific understanding of recent trends in science and technology. Students are invited to participate in this Science Fair.

WIN PRIZES!!!

Prof. V.K. Paliwal
Principal
