

Dyal Singh College (University of Delhi)
Lodhi Road, New Delhi – 110 003

NOTICE

Date: 24/01/2024

All those students whose any of the papers is DISCONTINUED, must necessarily fill in the appropriate option form (see the NOTICE dated 09/01/24).

Also, all those students who didn't fill the option form timely, must fill in it after paying fine of Rs 500/- (see the NOTICE dated -/01/24).

The students of both the above categories should start attending their classes **by default** for the paper(s) whichever (must be correct) they do choose in the option form, since, for such students **no separate allocation will be made**, or displayed at the college website.

NOTE. The paper: GE/Sem-4/Chemical Kinetics and Photochemistry is **DISCONTINUED**.

Lastly, in the lists already displayed for the **Sem-2 & 4** students regarding GE/SEC/VAC/AEC or DSE, where you see a title in **RED** font, it means either you filled in the wrong choice (**GREEN** font means the correct choice), or the paper is discontinued.

For the students of **Sem-6**, we **don't intend** to display any allocation details, since for them it is as usual as it was in the previous semester.

NOTE. Please don't get confused and create confusion to others!

All the best

Prof. Arun Pal Singh
Coordinator
Academic Committee
