DYAL SINGH COLLEGE

UNIVERSITY OF DELHI

Internal Quality Assurance Cell

Organises

Science Fair

on the occasion of

National Science Day 2024

28th-29th February 2024

THEME

CUTTING EDGE SCIENCE & TECHNOLOGY FOR SUSTAINABLE FUTURE

DYAL SINGH COLLEGE
UNIVERSITY OF DELHI

In Collaboration with

Shriram Institute for Industrial Research

Sponsored by

About the College

Dyal Singh College owes its origin to the extreme generosity and foresight of Sardar Dyal Singh Majithia, founder of 'The Tribune' and 'Punjab National Bank', who willed his vast wealth in 1895 for the setting up of an Education Trust for a secular college. Consequently, Dyal Singh College was established at Lahore in 1910, and after the Partition of India, Dyal Singh College was established in Karnal and Delhi. It started functioning as a constituent College of the University of Delhi in 1978.

The college has been contributing to the solemn task of nation-building since its very inception. Today, Dyal Singh is imparting education to over 6000 students, including foreign students through facilities of Arts, Commerce, Social Sciences, Mathematical Sciences, Computers and Science courses.

About the National Science Day

National Science Day commemorates the phenomenal discovery of the 'Raman Effect' by the Nobel laureate and scientist Sir CV Raman. It is celebrated on 28th February every year with a new theme to inspire and encourage youth.

- The significance of the national science day is to
- Spread awareness of scientific applications.
 - Showcase the efforts and achievements of science for the welfare of human beings.
 - Implement new technologies for the development of science.
 - Popularize Science and Technology among people.

About the Science Fair @DSC

To mark the celebrations of National Science Day 2024 two-day Science Fair is being organised on the theme "Cutting Edge Science and Technology for Sustainable Future" for undergraduate students to inspire, promote, and inculcate scientific temperament among the students. The fair intends to encourage the students to display their creativity and scientific understanding of recent trends in science and technology. Students are invited to participate in this event.

Highlights

- Intercollege Competitions
- Exhibition of Science Projects
 - Science Fun Activities
