ABOUT OUR COLLEGE

Dyal Singh College was established in 1959 and was affiliated with the University of Delhi in 1978.

The college campus of over 11 acres is located on Lodhi Road in South Delhi. The college's origin arose from the estate of Sardar Dyal Singh Majithia who willed his estate to establish an educational trust for a secular college.

In 1978, it had been taken over by the University of Delhi and has been proudly affiliated since, as a university maintained institution. In recent years, the college has registered an exceptional growth.

ABOUT THE PLACEMENT CELL

The Placement Cell envisions providing an opportunity perfectly cut out for each student of the college.

With a belief that the right people and organizations can nourish a person to the peak of their potential, the team actively on-boards opportunities all year round.

Another area of the work includes preparing the students to be corporate world ready by conducting webinars, seminars and workshops.

The cell is a connection between the company and applicants ensuring a smooth process with quality results.

SEMINARS & WEBINARS

YLP is a programme designed to equip young leaders with multidisciplinary perspectives, thinking skills, and research tools to help them achieve their goals.

It incorporated a general overview of pursuing post graduation in UK along with an overview of SOAS. Insights on the entire pathway for an international student, including points that enhance a student's profile and the admission process were discussed.

Silver Sky Consulting is a highly renowned educational and Business Consulting firm. They help students pursuing Post Graduation in Australia & Other Countries by safeguard their academic future under the direction of individuals with extensive experience, training, and educational consultants.

It was an informative session for People with Disabilities (PwD). The speaker talked about online scholarship courses and placement opportunities provided by Indic AI for Disabled Students.

FELLOWSHIPS

D.E. SHAW GROUP

FinSpire Fellowship, circulated by D.E. Shaw Group, was a three-day program geared towards helping women in their first year of an undergraduate program explore future career possibilities in finance. The program brought together intellectually curious fellows by offering exposure to their firm, the industry, and their culture; customized learning sessions, the guidance by skilled mentors from the finance industry.

TEACH FOR INDIA

The Teach For India Fellowship Program, was an opportunity for the youth, to serve as full-time teachers to children from low-income communities in some of the nation's most under-resourced schools. Through this experience of teaching in classrooms and working with key education stakeholders the fellows got exposed to the grassroots realities of India's education system.

PIXSTORY

Pixstory provided the Research Fellows with an opportunity to work on a real-time research project. It included researching user personas in the social media sphere, performing statistical analysis of marketing data, collating primary and secondary research to derive actionable inferences, and finally preparing a research paper identifying the needs and challenges; and advocating solutions for enhanced user experience.

EKANK TECHNOLOGY

ThisDay Fellowship, circulated by Ekank Technology gave the Content Writing Fellows an opportunity to work on 'Indian Architecture and its Marvels, especially the Southern part of India'. It had been envisioned as a program where young researchers, writers, and history aficionados get the opportunity to work under the leadership of a Katherene Abraham (Author, Journalist, and Researcher) to produce a series of well-researched nonfiction stories.
