All DU Faculty Members and PhD Scholars are hereby informed that a User Awareness & Training Session on Turnitin Feedback Studio with AI Detection functionality is being organised by Delhi University Computer Centre (DUCC) as per the following schedule:

Date: **18th February, 2026**
Time: **11:00 am**
Mode: **Offline**
Venue: **2nd Floor, Delhi University Computer Centre (DUCC), near Department of Anthropology, University of Delhi, Delhi – 110007**

[Online Registration Link](#) **(Registration only with DU domain email Id)**

Note: Limited seats available. Registration confirmations will be sent to selected participants on a first-come, first-served basis.

The session aims to help academic users effectively understand and utilise the Similarity and AI Detection reports, interpret results responsibly, and adopt best practices for maintaining academic integrity in teaching, learning, and research.

The Training Objective: This training session is designed to provide hands-on insights into Turnitin Feedback Studio, focusing on:

- Understanding Similarity Reports and their pedagogical interpretation

- Interpreting AI Detection indicators ethically and responsibly

- Using Turnitin as a formative feedback tool rather than only a compliance check

- Supporting research integrity for faculty and PhD scholars

The session will also address common queries and best practices aligned with institutional and regulatory expectations.

All concerned are encouraged to attend the session.

Warm regards,
Delhi University Computer Centre (DUCC)
University of Delhi
