ABOUT THE COLLEGE

Dyal Singh College owes its origin to the extreme generosity and foresight of Sardar Dyal Singh Majithia, founder of 'The Tribune', Punjab University and 'Punjab National Bank', who willed his vast wealth in 1895 for the setting up of an Education Trust for a truly secular college.

Consequently, Dyal Singh College was established at Lahore in 1910. After the Partition of India, Dyal Singh College was established in Karnal and in 1952 in Delhi. It started functioning in the capital at Rouse Avenue as a constituent College of the University of Delhi (1959) and at its present location since 1962. The University of Delhi took it over as a University-Maintained institution in 1978. The college has been accredited NIRF 2025 – 36th Rank (All India) and NAAC (UGC) Grade "A".
